# SPACE

Joyau is made up of one large space with a bar, sharing table, banquet seating and counter area. We can comfortably seat 30 people inside with room to accommodate approx. 20-25 people outside during the spring and summer months. Depending on how you want to use the space, we can remove some tables and chairs to allow for standing or dancing, this needs to be arranged prior to the start of your event.

Private hire is available for dinner/evenings from 6pm-11.30pm, or lunch from 12:30pm-4pm. We can apply for a late-license until midnight where applicable.

For private bookings on Friday and Saturday evenings, we kindly request a minimum spend of £4,000, which can be split between food and beverages. Lunchtime bookings are based on peak and off-peak times on a case by case basis.

# MENU

A set menu is available for dinner/evening and lunch bookings with a choice to be determined in advance.

For dinner/evening private hires, the seasonal menu consists of canapés and a buffet, we encourage guests to help themselves from the large sharing table. We are happy to cater to any/all dietary requirements. Menus are subject to minor changes depending on product availability.

# DRINKS

As well as our bottle selection, we always have three house wines on tap (white, rosé, chilled red), three draught beers (lager, IPA, pale ale) and plenty of soft drink options. We can add to this line-up with additional wines including sparkling, orange and other white/red/rosé options and cocktails.

Please note that certain wine cuvées may have limited availability, so please do inform us prior to your visit should you like us to reserve a particular wine or quantity.

We can provide welcome drinks for your guests on arrival – and have a few well priced sparkling options we can recommend. Depending on how you want to make up the minimum spend, you can either set up a tab or have a paid bar.

We can offer wine tastings for a small charge for wedding receptions.
